STAKEHOLDER ENGAGEMENT

All stakeholders of the school had representatives involved in the development of the 2018 LCAP. The design of the school allows for teachers, students, parents, counselors, and leadership team members to meet, discuss, and plan for the needs of each individual student. Each student has a Pathways Personalized Education Plan (PPEP) to engage each student in their academic goals. In addition to the weekly and monthly PPEP meetings, stakeholders of the school have many opportunities, and are encouraged, to be involved and participate in the decision making process of the school and the development of the LCAP.

20+ Meetings | 300+ Student, Parent, Staff Survey Respondents | 6+ Resource Center Events

The *Mirus* Difference

From 2010-2018 Mirus has decreased its overall dropout rate from 7.7% to 1.4%. This is an outstanding achievement given that the majority of Mirus students enroll behind in credits, not on track to graduate within 4 years, 2-3 grade levels behind in English, and 2-4 grade levels behind in math.
