**Grade Span:** 7 - 12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## About This School

### Alex Carrillo, Learning Lead

Principal, Mirus Secondary

#### About Our School

Mirus Secondary School is an independent study program for students in grades 7-12. Mirus implements a personalized education program to facilitate academic achievement. Mirus offers students a personalized and rigorous academic experience with highly qualified staff in a supportive and safe environment. These educational programs will demonstrate that standards-based educational reform can provide a prototype for changing the way teachers teach and students learn in the future.

Mirus is specifically aimed at engaging students whose futures are at-risk because they were not successful in school, and/or for those who seek an option to the traditional school setting. Mirus students may be challenged by focus/attention deficit, a need for extensive counseling, and fear of failure due to negative experiences in traditional school settings. Such students may be gifted with enormous potential yet be frustrated by traditional educational methods. Mirus offers instruction customized to meet students' individual needs. Mirus' overall program goals are to:

- **Improve academic achievement**
- **Increase the number of students who stay in school**
- **Increase the number of students who earn a high school diploma**
- **Build student leadership skill and improve confidence**
- **Encourage student's sense of civic responsibility**
- **Ensure that students are knowledgeable about potential career options**

Mirus believes "kids come first". Education is standards-based, rigorous, and personalized.

Education is provided by a community of highly qualified professionals who are committed to student learning. The primary method of instruction is independent study supplemented with online courses, guest speakers, tutoring, and field trips. Mirus students study one subject/course at a time. Within these parameters, students can progress at an individual pace, receiving tutoring or enrichment as needed. Mirus students earn course credits and attendance by successfully completing the prescribed lessons that demonstrate mastery of the state standards.

**Please Note: Mirus Secondary School is a DASS school (Dashboard Alternative School Status) which uses modified methods of measurement for indicators that are aligned with the evaluation rubrics of the Local Control Funding Formula (LCFF) to evaluate the success or progress of schools that serve high-risk students. To be eligible for DASS, schools must have an unduplicated count of at least 70 percent of the school's total enrollment comprised of high risk student groups including: Expelled, Suspended, Wards of the Court, Pregnant and/or Parenting, Recovered Dropouts, Habitually Truant, Retained more than once in kindergarten through grade eight, students who are credit deficient, students with a gap in enrollment, students with a high level of transiency, Foster Youth, and Homeless Youth. As an alternative option, students enroll with Mirus to address credit deficiencies before returning to a traditional school or may choose to complete the GED or HiSET, which are not factored into the four-year cohort graduation rate.**

## School Description and Mission Statement (School Year 2022–23)

### **The Vision**

The educational community known as Mirus Secondary School is committed to the development of a personalized instructional program that demonstrates positive outcomes for each student. Mirus Secondary School is dedicated to the creation of instructional, service, organizational, and governance models that can serve as prototypes for educational reform. Mirus Secondary School is committed to collaborative efforts to improve the quality of life for students, their families, and the community it serves.

### **The Mission**

Mirus Secondary School will implement personalized educational programs to facilitate student achievement. These educational programs will demonstrate that standards-based educational reform can provide a prototype for changing the way teachers teach and students learn in the future.

### **Basic Values**

- Kids come first.
- Education at Mirus is personalized, individualized, and high quality.
- Mirus is made up of a community of highly professional people. These committed individuals are independent, self-motivated, high-energy people who speak for themselves. They work to create a positive, challenging environment that is centered on teaching and learning.
- Mirus uses business principles in managing the school.
- Mirus is committed to the creation of educational reform models centered on how effective educational organizations run, how teachers teach, and students learn.
- Mirus employees are accountable for their work.
- People-centered teams focus on supporting quality teaching and learning. Performance is measured on a variety of indicators that include productivity, credit ratio, auditability, quality, performance, and commitment to the vision of Mirus.
- Mirus is committed to the improvement of the quality of life for students, their families, and the community it serves.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Total Teaching Positions	7.90	100.00	1048.80	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	42%	N/A	30%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	11%	N/A	16%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**Career Technical Education (CTE) Programs (School Year 2021–22)**

Career Technical Education (CTE) opportunities vary according to the students’ goals. Student strengths, interests and values are discussed with the student and parents and become part of the Pathways Personalized Educational Plan (PPEP). Mirus offers more than 50 CTE courses and 8 Career Pathways in either an independent study or online environments. 44 of those courses are UC A-G approved college prep electives. 7 of the capstone CTE courses are articulated with a community college for college credit. All CTE courses are aligned to the CTE Model Curriculum Frameworks with embedded CCSS for College and Career Ready Readiness. Eleventh and twelfth grade students research career paths and post-secondary career options to compile an electronic portfolio as part of a required senior course called “Pathways Exhibition” which leads to a Workforce Readiness Certificate. Counselors, teachers, career resource speakers, administrators and parents provide assistance in the educational and career decision making process. Because of the flexibility in this school’s schedule, students are able to work while traditional schools are in session, which broadens the range of job opportunities and work-based learning available. The school allows students the freedom to participate in community events and encourages them to volunteer. In order to broaden their experience and prepare students for the transition from school to career, students who remain at Mirus Secondary School until graduation are required to earn two credits in a specified CTE course, Service Learning, or in our state approved General Work Experience Education (WEE) courses. In this way, students have the chance to experience the world outside school as either volunteers or while learning a career skill on their path to becoming College and Career Ready.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2022–23)

Parents become involved in their children's education at Mirus Secondary School from the beginning. Parents are a part of the initial meeting with the teacher when they learn school requirements. Together with the student, they develop each student's unique Pathways Personalized Educational Plan (PPEP). Parents are encouraged to call and make appointments at any time; parents are involved in their child's education on a daily/weekly basis. Parents are encouraged to give feedback through the annual LCAP parent survey, open houses, senior exit orientation meetings, master agreement signings, board meetings, and graduation.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions for School Year 2019–20 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.10%	4.91%	2.45%
Expulsions	0.00%	0.25%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	0.12%	0.11%	5.27%	0.20%	3.17%
Expulsions	0.00%	0.12%	0.01%	0.24%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

**School Safety Plan (School Year 2022–23)**

The safety plan is updated and approved annually. It includes disaster procedures, procedures for safe entry and exit of pupils, procedures for serious disciplinary problems, lockdown procedures, loitering law, going to and from school safely, zero tolerance policy, emergency resource information, emergency disaster kit, and emergency quick reference guide. A sexual harassment policy, child abuse reporting procedures, school dress codes and the school discipline policy are also included. Regular safety drills are conducted and recorded three times per year.

**Types of Services Funded (Fiscal Year 2021–22)**

As a 501c3 non-profit corporation, Mirus Education, Inc. has full authority and discretion in the management of all its fiscal matters. The latitude to determine the use of funds is accompanied by an obligation to remain revenue neutral and to submit an audited financial report annually to the District. More than half of the funds the school receives go to certificated instructors who work directly with students. Funds are also used for purchasing up-to-date instructional materials and technology.
